

# Welcome to Mälardalen University, MDU!

We are delighted that you have chosen to study at MDU this autumn! As your Programme Coordinator, I am looking forward to getting to know you.

My name is Shahid Raza, and I am a Programme Coordinator for the Master's programme in Cyber Security, together with Giuseppe Nebbione. To ensure you have a great start at the University, I wish to share some important information about the programme and provide contacts for any questions you may have. Here you can read about the following:

- Start of programme and courses during the first semester
- Checklist ahead of starting
- Student life and The Welcoming
- Contact details for questions

### Master's programme in Cyber security

The Master's program in Cybersecurity at Mälardalen University is designed to provide you with a deep understanding of cybersecurity principles, techniques, and tools needed to protect digital systems and data. The program combines theoretical knowledge with practical application to prepare you for challenges in both research and industry environments.

The program starts on September 2nd at our campus in Eskilstuna.

### Courses in the first semester

During the first semester, you will take the following courses:

- **DVA495** Grundläggande cybersäkerhet
- **DVA463** Forskningsmetodik i datavetenskap

#### Literature

Please note that several of the recommended books are available at the university library.

You can find the content of the course and required reading by searching with the course code on Find your programme syllabus and course syllabus.

#### **Timetables**

You can find the timetable for your course by searching with the course code on

Timetable and Academic calendar

## Checklist ahead of starting

For new students, there are a few things that you need to do before you start enjoying your student life with us. On the website <a href="New Student">New Student</a> you will find information in a concise checklist.

#### Student website

On the <u>student website</u> you will find the information you need as an MDU student. Here you will find some handy tips and good advice on study techniques and scheduling which can be worth a read.

## The Welcoming

We at MDU would like you to feel really welcome at MDU! Therefore we are arranging an event called <u>The Welcoming</u>, on Friday, 30 August between 13:00 and 16:00. This year we will all meet at MDU in Eskilstuna. For those travelling from Västerås there is a free bus.

The programme responsible and student associations will be there and will help you to find your particular association. Without giving away too many details we just want to say, don't miss this event!

### The Rookie period

The Rookie period takes place during the first few weeks of your studies and it's going to be jam-packed with many fun activities. It will be arranged by Mälardalen Student Union together with the programme and student associations at the University. The aim is for you to get to know your fellow students and quickly get a feeling of belonging.

<u>Here is some information</u> about the Mälardalen Student Union and which programme association your programme belongs to.
